# V2 - RECTANGLE

Organically inspired diffusers by **3-Form** ([3-form.com](http://3-form.com)), **Lumicor** ([lumicor.com](http://lumicor.com)) and **Veritas Ideas** ([veritasideas.com](http://veritasideas.com)) along with fluorescent illumination, the V2 collection is the epitome of Earth-friendly\* while still maintaining a strong sense of elegance and function. Several platform shapes and stock patterns infused with sea shells, grasses or bamboo and an array of custom possibilities make this collection perfect for the vision of any design professional.
